

I strongly urge you not to overturn the NJ "Do Not Call" law. This is a benefit to all NJ residents. There is no good reason for us to constantly be harassed by telemarketers. Few people ever buy something over the phone by these groups. They give no service to anyone but themselves. They are a nuisance, and should not be allowed to call people who have requested that they stop. Please do not weaken this law. It has been a tremendous benefit to everyone I know. I urge you to continue to support this law.
